City of Milan Takes Precautionary Measures to Slow the Spread of COVID-19

March 13, 2020 - In an effort to slow the spread of the COVID-19 virus, the City of Milan is taking proactive steps to follow state and county health officials' recommendations. These measures will not impact critical services such as drinking water, police, fire, emergency operations, waste and recycling collection, however, some city functions may be modified.

Beginning on Friday, March 13, through Sunday, April 5, 2020, please be advised of the following:

- All City events expecting 50 or more people are cancelled. Any event with 50 or fewer people will only be permitted if proper social distancing procedures are addressed.
- All Milan Parks & Recreation events are cancelled. Parks themselves, will remain open for general use.
- Some Board and Commission meetings are cancelled, so please check the city's meeting calendar for the most up-to-date information.
- City Council and Planning Commission meetings will take place as scheduled, however, we do encourage the public to take advantage of watching City Council meetings broadcast live on Comcast Channel 18.

To pay water bills, property taxes, apply for permits as well as other customer service options, residents and visitors are encouraged utilize the payment drop box located outside of the Milan Police Department and to take advantage of online payment services.

The City will continue to monitor this rapidly evolving situation and coordinate closely with our local partners, including Washtenaw County Health Department, to determine if further changes to operations are needed.

For the latest COVID-19 health information, please visit www.washtenaw.org/COVID19 or the Centers for Disease Control https://www.cdc.gov/coronavirus/2019-ncov/about/.
